

Amundi HK Guarantee Series
Amundi Global Dynamic Allocation Protect 90 Fund (HKD)

| | 2014 | 2015 | 2016 | 2017 | 2018 |
|----------|------|------|------|------|--------|
| The Fund | | | | | -4.72% |

- Past Performance information is not indicative of future performance. Investors may not get back the full amount invested.
- The computation of the performance is based on the calendar year end, NAV-to-NAV, with dividend reinvested.
- These figures show by how much the fund increased or decreased in value during the calendar year being shown. Performance data has been calculated in HKD including ongoing charges and excluding subscription fee and redemption fee you might have to pay.
- Where no past performance is shown there was insufficient data available in that year to provide performance.
- Fund launch date: 2017

Investors should not only based on this document alone to make investment decisions. Investment involved risk. The offering document(s) should be read for further details including the risk factors.
