- Past Performance information is not indicative of future performance. Investors may not get back the full amount invested.
- The computation of the performance is based on the calendar year end, NAV-to-NAV, with dividend reinvested.
- These figures show by how much the fund increased or decreased in value during the calendar year being shown.
- Performance data has been calculated in denominated currency including ongoing charges and excluding subscription fee and redemption fee you might have to pay.
- Where no past performance is shown there was insufficient data available in that year to provide performance.
- Fund launch date: 2007
